Based on the current rate of victim payouts, we will have a projected budget balance of $134,116.00 at the end of FY17.

Mr. Zubia updated the Commission on the status of restitution and penalty assessment.
Currently we have received the following for the month of November. Refer to Crime Victims Fund (revenue) Budget Status worksheet:
Restitution: $1,705.07
Penalty assessment: $760.00
Total received is $2,465.07

Mr. Zubia was told that the reason for the decrease of money received in the restitution and penalty assessment fund was due to position turnover in the financial department at the NM Corrections Department. Mr. Zubia stated that David Jablonski was newly appointed as acting cabinet secretary at the NM Corrections Department. Mr. Grubesic inquired if the penalty assessments are mandatory fees. Commission Chair Ms. Lee stated yes, fees are mandatory and that the Administrative Office of the Court is looking for clarification on how the law was written. It was passed July 1, 2015 but Mr. Arthur Pippen has offered an opinion on how it is interpreted. We received $50 the first month the law was passed.
