NONDISCLOSURE OF CONFIDENTIAL OR PRIVATE INFORMATION

To ensure victim/survivors are served and ethical standards are upheld grantees and subgrantees may not disclose personally identifying information about victims served with these funds without a written release unless a statute or court order require the disclosure of the information. This applies whether the information is being requested for a grant program or another Federal agency, State, tribal, or territorial grant program. This provision also limits disclosures by subgrantees to other grantees, including disclosures to statewide or regional databases.

“Personally identifying information” means individually identifying information for or about an individual including information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, including (but not limited to) a first and last name; a home or other physical address; contact information (including a postal, email or Internet protocol address, or telephone or facsimile number); a social security number; and any other information, including date of birth, racial or ethnic background, or religious affiliation that, in combination with other information, would serve to identify any individual. The specifics of what information is protected may depend on the individual situation. Grantees should be cognizant of their specific environment, including the size of their population, in making the determination of what information they might need to protect in order to prevent disclosures that could be used to locate individual victims.

Releases must be written, informed and reasonably time limited. At a minimum, victims should understand why the information would be shared, who would have access to the information, and what information would be shared. What time period is reasonable will depend on the specific situation.

The victim should sign releases unless the victim is a non-emancipated minor or a person with disabilities that is unable to sign. In the case of a minor, the minor and a parent or guardian should sign the release; in the case of a person with disabilities, a legally appointed guardian should sign it. The abuser of the minor or person with disabilities or the abuser of the other parent of the minor may not give consent.

If release is compelled by statutory or court mandate, the grantee or subgrantee must make reasonable attempts to notify affected victims and take steps necessary to protect the privacy and safety of such victims.

Grantees and subgrantees may share non-personally identifying data in the aggregate regarding services to their clients and non-personally identifying demographic information in order to comply with Federal, State, tribal or territorial reporting, evaluation, or data collection requirements.

Grantees and subgrantees may share court-generated information and law-enforcement generated information contained in secure, governmental registries for protection order enforcement purposes.

Grantees and subgrantees may share law enforcement and prosecution-generated information necessary for law enforcement and prosecution purposes.

For the purpose of file review during onsite visits by CVRC, subgrantees may choose to redact files in lieu of securing a written release.

EQUAL OPPORTUNITY/CIVIL RIGHTS COMPLIANCE

To receive these funds, a successful applicant must agree to the following civil rights provisions:

The subgrantee agrees to abide by all Federal and State laws and rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity.

Subgrantee will comply (and will require any contractors to comply) with any applicable Federal nondiscrimination requirements, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (42 US C. § 3789d); the Victims of Crime Act (42 US C. § 10604 (e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (42 US C. § 5672 (b)); the Civil Rights Act of 1964 (42 US C. § 2000d); the Rehabilitation Act of 1990 (42 US C. §§ 12131-34); the Education Amendments of 1972 (20 US C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 US C. §§ 6101-07); 28 C.F.R. pt 31 (US Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (US Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Exec. Order No. 13279 (equal protection of the laws for faith-based and community organizations); Exec. Order No. 13559 (fundamental principles and policymaking criteria for partnerships with faith-based and neighborhood organizations); and 28 C.F.R. pt. 38 (US Department of Justice Regulations – Equal Treatment for Faith-Based Organizations).

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, sexual preference, age or disability against a recipient of funds, the subgrantee will forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs and the New Mexico Crime Victims Reparation Commission (CVRC).

Subgrantee will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs and the CVRC, if required to submit one; otherwise, it will provide a certification to the Office for Civil Rights, Office of Justice Programs and the CVRC that it has a current EEOP on file, if required to maintain one. For grantee agencies receiving less than \$25,000, or grantee agencies with fewer than 50 employees, regardless of the amount of the award, no EEOP is required. Information about civil rights obligations of grantees can be found at www.ojp.usdoj.gov/oct/.

As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, recipient must take reasonable steps to ensure that LEP persons have meaningful access to its programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Subgrantee is encouraged to consider the need for language services for LEP persons served or encountered both in developing its budgets and conducting its programs and activities. Additional assistance and information regarding LEP obligations can be found at www.lep.gov.

In accordance with Federal civil rights laws, the subgrantee shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

PROVIDING MEANINGFUL ACCESS TO VICTIMS WITH LIMITED ENGLISH PROFICIENCY (LEP)

National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). As noted above, to ensure compliance with Title VI of the Civil Rights Act and the Omnibus Crime Control and Safe Streets Act, recipients are required to take reasonable steps to ensure the LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including interpretation and translation services, where necessary. Grantees are encouraged to consider the need for language services for LEP persons served or encountered both in developing their proposals and budgets and in conducting their programs and activities. Reasonable costs associated with providing meaningful access for LEP individuals are considered allowable program costs. The US Department of Justice has issued guidance for grantees to assist them in complying with Title VI. The guidance document can be accessed on the Internet at www.lep.gov or by contacting the OJP's Office for Civil Rights at 202-307-0690.

METHOD OF PAYMENT

Method of payment is Cash Reimbursement. A monthly invoice and accounting must be submitted by the 10th day following the previous month's expenditures to be eligible to receive a monthly payment. If the 10th day falls on a weekend or holiday the invoice will be due on the last business day prior to the 10th. Applicants may choose to submit invoices on a quarterly basis if written notification is provided.

SUPLANTING PROHIBITION

State funds must be used to supplement existing funds for program activities and may not replace (supplant) other State funds, non-State or Federal funds that have been appropriated for the same purpose. Potential supplanting will be the subject of monitoring and audit. REPORTING REQUIREMENTS

All subgrantees are required to submit financial, progress and annual performance reports to the CVRC by the due dates. Failure to comply with reporting requirements (including the timely submission of reports) may result in administrative action such as withholding of payments and termination of awards and could affect the awarding of subsequent grants. In addition, applicants' compliance with previous grant reporting obligations will be an important consideration during the proposal review process.

If the 10th day falls on a weekend or holiday, the invoice will be due on the last business day prior to the 10th. Applicants may choose to submit invoices on a quarterly basis. AUDIT REQUIREMENTS

Submit a complete audit review with the application. Subsequent audit reports must be submitted within nine months after the close of the fiscal year to CVRC. Funded agencies must adhere to the single audit requirements of the OMB Circular A-133/ Uniform Guide. If an agency does not meet the single audit threshold programs will be contractually required to have their grant funds reviewed in their annual audit. This is to ensure funds are not being commingled with other funding sources, are tracked, reconcile when randomly tested and there are no red flags for fraud, waste and/or abuse of funds. The testing does not have to rise to the level of an OMB A-133/Uniform Guide audit but must include an agreement that the auditor will perform agreed-upon procedures in accordance with applicable generally accepted auditing standards or attestation standards established by the American Institute of Certified Public Accountants (AICPA).

A sample agreement can include the following:

We have agreed to perform the following procedures and report to you the factual findings resulting from our work:

- The audit will include procedures to verify that the Agency is maintaining separate accounts and accounting records for the State funds, to ensure the funds are accounted for separately and not commingled with any other funding sources.
- A sample of current disbursements charged to the State grants will be reviewed and assessed to determine if the charges comply with the terms of the grants.
- A sample of current invoices submitted to CVRC will be reviewed to assess whether or not cash requests were on a cost reimbursement basis (e.g. the agency incurred the cost prior to the request for payment.)

Submitted audit reports should include:

- The auditor's report on financial statements and a schedule of financial assistance showing the total expenditure for program.
- The auditor's report on compliance containing:
 - A statement of positive assurance with respect to those items tested for compliance.
 - A statement of negative assurance of those items not tested and a summary of all instances of noncompliance.
- The auditor's report on the study and evaluation of internal control system.

Audit Costs: Subgrantees who are eligible may use funds to support the pro-rated share of reasonable audit costs, which are considered essential to the operation of the project and are allowable.

Additionally, the prime contractor must receive approval, in writing, from the Agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

AMENDED PROPOSALS

An Applicant may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The Agency personnel will not merge, collate, or assemble proposal materials.

APPLICANT'S RIGHTS TO WITHDRAW PROPOSAL

Applicants will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Applicant must submit a written withdrawal request addressed to the Procurement Manager and signed by the Applicant's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

PROPOSAL OFFER FIRM

Responses to this RFP, including proposal prices for services, will be considered firm for one hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Applicant is invited or required to submit one.

DISCLOSURE OF PROPOSAL CONTENTS

Proposals will be kept confidential until negotiations and the award are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Applicant has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.

Confidential data is restricted to: confidential financial information concerning the Applicant's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA1978 § 57-3A-1 to 57-3A-7.

PLEASE NOTE: The price of products offered, or the cost of services proposed shall not be designated as proprietary or confidential information.

If a request is received for disclosure of data for which an Applicant has made a written request for confidentiality, the Agency shall examine the Applicant's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Applicant takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

NO OBLIGATION

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Applicant's services until a valid written contract is awarded and approved by appropriate authorities.

TERMINATION

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

SUFFICIENT APPROPRIATION

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

REVIEW

The Agency requires that all Applicants agree to be bound by the General Requirements contained in this RFP. Any Applicant's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

GOVERNING LAW

This RFP and any agreement with an Applicant which may result from this procurement shall be governed by the laws of the State of New Mexico.

BASIS FOR PROPOSAL

Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Applicant proposals.

CONTRACT TERMS AND CONDITIONS

The contract between an agency and contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample Contract, which can be found on CVRC's webpage along with all of the other required documents for this RFP. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Applicant. The contents of this RFP, as revised and/or supplemented, and the successful Applicant's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Applicant object to any of the terms and conditions as set forth in the RFP Sample Contract strongly enough to propose alternate terms and conditions in spite of the above, the Applicant must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Applicant's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Applicant's proposal.

Applicants must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Applicant fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Applicant), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Applicant) is an explicit agreement by the Applicant that the contractual terms and conditions contained herein are accepted by the Applicant.

APPLICANT TERMS AND CONDITIONS

Applicants must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency.

CONTRACT DEVIATIONS

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Applicant), will be discussed only between the Agency and the Applicant selected and shall not be deemed an opportunity to amend the Applicant's proposal.

APPLICANT QUALIFICATIONS

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Applicant to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Applicant who is not a Responsible Applicant or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

RIGHT TO WAIVE MINOR IRREGULARITIES

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

CHANGE IN CONTRACTOR REPRESENTATIVES

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

NOTICE OF PENALTIES

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

AGENCY RIGHTS

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Applicant's proposal.

RIGHT TO PUBLISH

Throughout the duration of this procurement process and contract term, Applicants and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Applicant's proposal or removal from the contract.

OWNERSHIP OF PROPOSALS

All documents submitted in response to the RFP shall become property of the State of New Mexico.

CONFIDENTIALITY

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

ELECTRONIC MAIL ADDRESS REQUIRED

A large part of the communication regarding this procurement will be conducted by electronic mail (email). Applicant must have a valid email address to receive this correspondence.

(REPEAT LANGUAGE FOR EACH FISCAL YEAR COVERED BY THE AGREEMENT -- USE FISCAL YEAR NUMBER TO DESCRIBE EACH YEAR; DO NOT USE FY1, FY2, ETC.).

B. Payment in FYXX, FYXX, FYXX, and FYXX is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant

Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on **(DATE)** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). 4. Termination.

A. Grounds. The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement.

B. Notice; Agency Opportunity to Cure.

1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Agency's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. Termination Management. Immediately upon receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under

this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. 8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any Agency employee while such employee was or is employed by the Agency and participating directly or indirectly in the Agency's contracting process;
